ORDINANCE: 52-046-2025

Sponsored by: Mayor Stimpson

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOBILE, ALABAMA, AS FOLLOWS:

VACANT STRUCTURE REGISTRY

Sec. 52-200. Adoption.

There is hereby adopted a vacant structure registry code for the Henry Aaron Loop in the City of Mobile.

Sec. 52-201. Purpose.

(a) The city has determined that uninspected and unmonitored vacant commercial structures in the Henry Aaron Loop (i) present a fire hazard; (ii) are often utilized by vagrants and transients (including drug abusers and traffickers) as dangerous and unsafe temporary shelters; (iii) detract from private and/or public efforts to rehabilitate or maintain surrounding buildings; and (iv) require additional regulation and services to protect the health, safety and welfare of the public.

(b) Under this Article, Owners of vacant commercial structures in the Henry Aaron Loop must register such vacant structures with the city, pay a vacant structure registration fee as set forth herein, and otherwise conform to the requirements of this vacant structure code.

(c) It is the intent of this Article that, through a registration, inspection, and monitoring process, and other improved public safety efforts, vacant commercial structures in the Henry Aaron Loop will be kept weathertight and secure from trespassers, will provide safe entry to police officers and firefighters in times of emergency, will not impede private and/or public efforts to rehabilitate or maintain surrounding properties, and will not otherwise present a public nuisance.

(d) It is the city's further intent for the provisions of this Article to supplement Chapter 52 Article II, Abatement of Unsafe Buildings and Structural Nuisances, by placing the responsibility to register and maintain a vacant commercial structure on the Owner of the structure before a condition of the structure becomes unsafe or a public nuisance.

Sec. 52-202. Definitions.

(a) For purposes of this Article, the following words and phrases shall have the meanings respectively ascribed to them as follows:

(1) Actively marketed: A property is being "actively marketed" when its Owner is, in good faith, doing those things and performing those activities standard and effective in the industry necessary to sell or lease a structure, including, but not limited to, using the services of a realtor licensed in the State of Alabama, or advertising the availability of the structure for sale or lease.

(2) Boarded: A Vacant Structure shall be deemed to be "boarded" if in place of one or more exterior doors, other than a storm door, or of one or more windows, there is a sheet or sheets of plywood or similar material covering the space for such door or window, in compliance with Mobile City Code, Section 52-1, Property Maintenance Code Boarding Methods.

(3) Code official: The city's code official, as defined in Section 52-22 of this Chapter, or his or her designee.

(4) Commercial structure: Any structure used or intended to be used to generate revenue. Commercial structures include structures leased to tenants who occupy the property for non-commercial uses such as residences or offices of non-profit organizations.

(5) Director: The City of Mobile official designated by the Mayor as the person to whom the Code Official reports, either directly or through the chain of command.

MINUTES OF OCTOBER 14, 2025

(6) Henry Aaron Loop: That geographic area within downtown Mobile bounded by Beauregard Street on the north, Water Street on the east, Canal Street on the south, and Broad Street on the west.

(7) Occupy/occupied/occupies: Any building or structure shall be deemed to be "occupied" if one or more persons conducts a lawful business or lawfully resides in the building as the licensed business occupant, or as the legal or equitable owner/occupant(s) or tenant(s) on a permanent, non-transient basis, or any combination of the same.

(8) Open: A Vacant Structure shall be deemed to be "open" if any one or more exterior doors other than a storm door is broken, open, and/or closed but without a properly functioning lock to secure it; if one or more windows is broken or not capable of being locked and secured from intrusion; if any other opening in the structure allows entry into the structure by an unauthorized person; or any combination of the same.

(9) Owner: Any person, agent, firm or corporation having legal title to the real property, including any mortgage holder, bank, lien holder, company, institution, individual or other entity listed in the records of the office of the judge of probate of the county, and/or the estate of any deceased owner(s), and/or the last assessed owner in the property tax records of the Mobile County Revenue Commissioner with the legal right to enter the property.

(10) Square footage: The gross interior floor area of the structure measured to the exterior face of perimeter walls, including basements and mezzanines, but excluding structured parking and unenclosed exterior areas.

(11) Vacant Structure Registry: The structure registry created pursuant to this Article, specifically by section 52-204(a).

(12) Vacant Structure: A commercial structure on a parcel of real property that either:

(A) Has, for a continuous period of at least six (6) months, lacked regular, lawful occupancy by persons entitled to be on the premises, excluding intermittent, token, or incidental presence not amounting to bona fide use; or

(B) Has had substantially all lawful business operations cease for at least six (6) months. For purposes of this definition, if a discrete floor or other separately occupiable portion of a building has a current Certificate of Occupancy (CO) and is actively occupied, that occupied portion is not a Vacant Structure; however, any vacant portions of the building must be protected by fire-alarm systems that comply with Section 52-209(a)(5).

Sec. 52-203. Applicability, obligation to register, automatic registration, exemptions.

(a) Applicability and obligation to register. Except as provided in subsection (c) below, this Article is applicable to all Vacant Structures and their Owners in the Henry Aaron Loop in the City of Mobile. It is the obligation of the Owner of any Vacant Structure to register it with the Code Official in accordance with the provisions of section 52-204. Registration shall be required for all Vacant Structures, whether vacant and secure, vacant and open or vacant and boarded. Vacant Structures shall be registered on or before 30 days after becoming a Vacant Structure, unless exempt under subsection (c) below. The registration of a Vacant Structure and the payment of registration fees do not exonerate the Owner, agent, or responsible party from compliance with any other building code or zoning requirement.

(b) Registration by Code Official. When the Code Official has reason to believe a structure is a Vacant Structure that the Owner has failed to register, a notice will be posted on the subject structure stating that the Code Official has reason to believe that the structure is a Vacant Structure and directing the Owner to either (i) register the structure in accordance with the provisions of this Article or (ii) provide the Code Official evidence demonstrating that the structure is not a Vacant Structure. In addition to posting a notice on the suspected Vacant Structure, the Code Official shall, by certified mail; if undeliverable, by first-class mail, send a copy of the same notice to the Owner(s) of the property listed in the records

of the Revenue Commissioner of Mobile County, or other records readily available to the City. (c) Exemptions. The following are exempt from the requirements of this Article:

(1) Any building owned by the city, county, state, or federal government.

(2) Buildings under construction or property that, in the reasonable discretion of the Code Official, is being actively renovated or rehabilitated; provided, this exemption shall be available for no more than 18 months, unless the Owner provides written justification satisfactory to the Code Official to extend the exemption.

(3) Actively Marketed Vacant Structures; provided, this exemption shall be available for no more than six (6) months, unless the Owner provides written justification satisfactory to the Code Official to extend the exemption.

(4) Vacant Structures that are vacant due to fire damage or damage caused by an extreme weather event; provided, this exemption shall be available for no more than six (6) months following the fire or extreme weather event, unless the City Council by resolution extends the exemption period due to a major disaster affecting numerous properties in the Henry Aaron Loop.

(5) Actively Marketed commercial structures in the Henry Aaron Loop purchased through an arm's length transaction for up to twelve (12) months following the date on which the purchase closes.

(6) Mixed-Occupancy Buildings. A building containing one or more Vacant Areas is not required to register under this Article if: (i) at least one discrete area of the building holds a current Certificate of Occupancy (CO) and is actively occupied; and (ii) all Vacant Areas comply with §52-209(a)(5), provided that the occupied area constitutes at least twenty percent (20%) of the building's gross leasable floor area or ten thousand (10,000) square feet, whichever is less.

Sec. 52-204. Registry, registration information, amending information, fees, dedicated, account, publication.

A RESOLUTION OF THE CITY COUNCIL OF MOBILE REGARDING THE REVOCATION OR SUSPENSION OF THE CITY BUSINESS LICENSE OF PHAT TUESDAY SPORTS BAR, LLC

WHEREAS the City Council of Mobile is empowered under Mobile City Code §34-64(a)–(b) to revoke, suspend, or refuse renewal of any business license issued by the City when the licensee, its agents, or employees violate provisions of the City Code or state law relating to the licensed business; and

WHEREAS proper written notice of a public hearing, as required by §34-64(c), was issued to Phat Tuesday Sports Bar, LLC, c/o Robert L. King, III, registered agent/member, on September 12, 2025; WITH SERVICE AFFIRMED BY City staff; and

WHEREAS on September 23, 2025, the Council held a duly noticed public hearing to consider the proposed revocation or suspension of the City business license for Phat Tuesday Sports Bar, LLC, 1608 St. Stevens Road, Mobile, Alabama 36603; and

WHEREAS the Council reviewed the Chronological Incident Index (Exhibit A) documenting violations, arrests, and public-safety issues from January 2022 through August 2025, heard testimony from City staff, law-enforcement officers, and other witnesses, and received evidence offered by or on behalf of the licensee.

FINDINGS OF FACT

After considering all evidence, the City Council finds:

- 1. **Alcohol violations:** On July 26, August 6, and August 10, 2025, alcoholic beverages were sold after 2:00 a.m. and/or on Sunday in violation of state law and ABC regulations; an ABC citation issued August 10, 2025.
- 2. **Controlled substances:** Controlled buys of marijuana occurred on multiple dates between February 2022 and August 2025 inside the premises.
- 3. **Weapons and violence:** Numerous calls for service (274 between Jan. 2022–July 2025) included shootings, assaults, and large fights, presenting threats to public

safety.

4. **Search warrant & arrest:** On August 14, 2025, MPD executed a search warrant at the premises, recovered a handgun, and arrested an owner for Certain Persons Forbidden.
5. **Illegal gambling devices:** Gambling machines were documented and seized during operations, including on April 26, 2022.
6. These facts establish violations of City Code and state law relating to the licensed business and show that the operation has led to circumstances detrimental to the public health, safety, and welfare within the meaning of §34-64(e)(2).

CONCLUSIONS OF LAW

- The above Findings constitute grounds under Mobile City Code §34-64(a) for revocation or suspension of the business license of Phat Tuesday Sports Bar, LLC.
- The Council further concludes, pursuant to §34-64(e)(2), that operation of the business at 1608 St. Stephens Road has created circumstances detrimental to the public health, safety, and welfare and, therefore, warrants the premises-based restrictions provided in that section.
