ORDINANCE: 34-050-2023

Sponsored by: Mayor Stimpson

MINUTES OF NOVEMBER 8, 2023

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MOBILE, ALABAMA, as follows:

Section One. Findings and Purpose

(a) The Uniform Development Code adopted by the City Council on July 12, 2022 established certain permitting requirements and site and design criteria for Short-Term Rentals located in areas of the City other than within the Downtown Development District. One of those required criteria is that “a valid City of Mobile business license must be obtained for each discrete Short-Term Rental location.”

(b) The Licenses and Taxation Chapter of the Mobile City Code levies and assesses a business license fee for the privilege of doing any kind of business, trade, profession or other activity in the city or the police jurisdiction. [Chapter 34, Article III, Business License Code and Schedule of Licenses, Section 34-41]. The purpose of this Ordinance is to establish business license codes for Short-Term Rental properties and for Real Property Management. The City Council desires to make it clear that any person or entity providing Short-Term Rentals within the City or its police jurisdiction, whether located in the Downtown Development District or elsewhere, is a “business” required to obtain a “business license” as defined in Article III of Chapter 34 of the Mobile City Code.

(c) The City business license categories established herein do not affect lodging taxes, which are due and owing on gross receipts from charges for lodgings and accommodations as provided by City Code.

(d) The City Council hereby finds that the City's regulation of short-term rental uses is a valid exercise of the City's police power conferred by Code of Ala. 1975, § 11-45-1 and its licensing power conferred by Code of Ala. 1975, § 11-51-90, and furthers the legitimate governmental interests of the City.
