(b) To qualify for inclusion on a rotation list, a wrecker company must:

(2) Complete and execute an application form supplied by the police department, which form may be amended from time to time at the discretion of the police department.

(3) Maintain twenty-four-hour wrecker service seven (7) days per week, with a wrecker operator and wrecker on call at all times at its place of business. Answering services shall not be permitted because time is of the essence in responding to wrecker calls.

(4) All wreckers and towing vehicles dispatched in response to calls or requests for tows shall depart from the company's place of business (as defined in section 63-2 above).

(5) Respond to all calls for tows using vehicles and equipment which belong to the called company. No subcontracted, substitute or replacement vehicles will be allowed, unless approved in advance in writing by the City's chief of police.
